

# Package ‘lydata’

April 2, 2026

**Title** Example Dataset for crossmeta Package

**Version** 1.36.0

**Author** Alex Pickering

**Maintainer** Alex Pickering <alexvpickering@gmail.com>

**Description** Raw data downloaded from GEO for the compound LY294002. Raw data is from multiple platforms from Affymetrix and Illumina. This data is used to illustrate the cross-platform meta-analysis of microarray data using the crossmeta package.

**License** MIT + file LICENSE

**LazyData** TRUE

**biocViews** ExperimentData, MicroarrayData
